

Marjorie Moulton

Becomer's Mystery Person of the week - May 25, 2008

1. Born and grew up in Southern Massachusetts
2. Oldest of 3 children (my brother was born when my sister & I were 18 & 20 - same parents)
3. While growing up enjoyed such things as rock climbing & digging for clams
4. When I was young, parents had one of the Von Trapps (family from Sound of Music) as our family doctor. Many years later saw the real Mrs. Von Trapp
5. My grandparents barn that I used to play in was on the front cover of House Beautiful (Sept. 1963 - with write up)
6. In high school became interested in library work while working in local library (one room in our town hall)
7. In high school held offices in our local area Methodist youth groups (met first husband at one of our area church camps)
8. Graduated from Jr. College, then worked a year at the college library
9. Married - had 2 boys — went back to college part-time (in Georgia)
- 10 Upon marriage lived several places on east coast, Colorado, Michigan, Texas, Ca.
- 11 When Elvis Presley died, I saw & talked with one of his doctors
- 12 Have worked at college, school & public libraries - nicknamed Powder Puff
- 13 In talking with a fellow Becomer a number of years ago, we seem to share the same family castle in Scotland - results — must be related-cousins
- 14 Enjoy camping (RVing), traveling, reading, scrapbooking, fishing (have secret to catching fish)
- 15 Divorced - later remarried - have 8 grandchildren of my own. Husband has 6 — for a total of 14 grandchildren
